Understanding of Child Abuse

Child Abuse consists of a wide variety of different problems. Usually, these are categorized as physical abuse, emotional abuse, sexual abuse, and neglect. Physical abuse is the injury of the child by other than accidental means. Emotional abuse is the constant belittling, criticizing, yelling at, and verbal tearing down of the child. Sexual abuse is any sexual activity between a child and an adult, or sexual activity involving children in which the age, size or other power factors between the participants is unequal. Child neglect is failure to provide necessary nurturance when resources are available to do so. **My signature below signifies that I understand what child abuse is and that I am to report to my supervisor any known or suspected instances of child abuse while employed at Camp Ramsbottom. It also signifies that all information provided on this application is correct.**
