CAMP RAMSBOTTOM

Dear Parent/Guardian,

We're so excited to welcome both new and returning campers to Camp Ramsbottom for another unforgettable summer! As the new CEO of the Boys & Girls Club of Pawtucket, I'm especially thrilled to experience my first Camp season in this role. Located on 170.5 acres in Rehoboth, Massachusetts, Camp offers kids unique, hands-on opportunities to explore the great outdoors, build friendships, and grow. All of this takes place in the safe, supportive, and fun setting our families depend on.

This year is especially meaningful as we celebrate 60 years of Camp Ramsbottom as a cherished summer tradition for youth across Rhode Island and Southeastern Massachusetts. Last summer, we welcomed more than 1,800 campers from over 60 towns and cities, participating in activities that help campers discover new interests and strengths. Access is a top priority, and through our camperships we have enabled more than 270 youth to attend without cost barriers.

We continue to invest thoughtfully in Camp to enhance the experience for every camper. Recent improvements include upgrades to the water and well system, as well as new and expanded activity areas, such as our new fishing pond. Camp continues to grow as a year-round community resource—hosting popular seasonal events, increasing rentals, and welcoming more than 850 students from 11 local school trips.

Camp Ramsbottom's programs are led by a dedicated team of trained educators, college students, and seasonal staff—many of whom are former campers themselves! Their strong connection to Camp helps create an engaging space where campers can build new skills and self-confidence, reflecting the Boys & Girls Club of Pawtucket's mission to inspire youth to reach their full potential as healthy, productive, responsible, and caring citizens.

Thank you for choosing Camp Ramsbottom—we look forward to a summer filled with exciting adventures that will create lifelong memories to each and every camper!

Happy Camping!

Amy Gonsalves, **CEO**
